

PROPOSITION 116 BOND PROGRAM SURVEY

Project Information

a) Project Name:	Monterey Branch Line Project	TAMC (Rail)
b) Project Purpose:	The purpose of this project is to establish a balanced array of transportation facilities and services which will accommodate both intra- and inter-county travel for residents of Monterey County; and secondarily, for visitors to Monterey County.	
c) Project Scope:	This funding was used to purchase the Monterey Branch Line from Union Pacific in 2003 and to complete State and Federal Environmental Documents for this project. The environmental documents are scheduled for completion in 2012. State and federal funding for preliminary engineering, design, right of way acquisition, construction, and purchase of vehicles will be matched with local funding.	
d) Project Start Date: 2003	Project End Date: December 31, 2015	
e) Total Estimated Cost of Project: \$179,137,275	Prop 116 Funding: \$9,370,000	

Survey Questions

1. Has your agency continued operation of the project dedicated to public transportation purposes for which the project was initially approved by the Commission? YES NO

Explain: The Monterey Branch Line light rail project is currently in the environmental review phase.

2. Has your agency ceased to utilize the project for the intended transportation purposes or sold or transferred title or control over the project? YES NO

Explain: The project continues to be a public transportation project.

3. Are the facilities constructed and/or property purchased as part of the project still dedicated to public transit use in the same proportion and scope and to the same extent as described in the application, fund transfer agreement and bond certification documents? YES NO

Explain:

4. Is equipment acquired, rolling stock or ferry vessels, still dedicated to and intended to continue to be dedicated to, the passenger use for their full economic life cycle, including extensions of that life cycle achieved by reconstruction, rehabilitation, or enhancement? YES NO

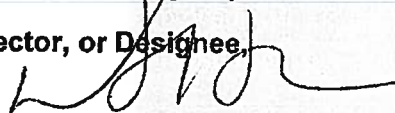

Explain: Rolling stock has not been purchased for the project yet, but there are plans for purchasing rolling stock for the Monterey Branch Line light rail in the future.

Agency Information and Certification

To the best of my knowledge and belief, the data and information in this response are true and correct and I am authorized by my council, board, authority, commission, or ruling body to file the report on behalf of the applicant agency.
